Returning to the vast forests of Nanzhuang, the familiar scent of coal slag fills the air. This place was once bustling and lively, driving the local prosperity of Nanzhuang and providing many local families with their livelihoods. With the changes of time, the once-thriving mining industry in Nanzhuang came to an end due to broader economic shifts. Ba-ba Tunnel Leisure Mine was established to record this historical trajectory and pioneer a new form of tourism in Nanzhuang.
