

Information Station—Truly Outstanding Friendly Service

“Excuse me, where can I find something tasty?” “Excuse me, what are the specialty products of this region?” If you have any question during your journey in Taiwan, come to the Information Station and you may be pleasantly surprised at their warm hospitality!

To help travelers with their journey, the Taiwan Tourism Bureau collaborates with various stores and service providers throughout Taiwan to establish the “Information Station” system that helps visitors in Taiwan.

You can spot an “Information Station” by its yellow, round “Information Station” sign with black letters. Other than maps and travel information, the station also has a Wi-Fi hotspot and QR codes that guide visitors to a variety of cloud-based travel services.

Travelers are able to experience “local characteristics” and “hospitality” by visiting any information station. The aim of establishing this information station system is to encourage visitors to come back so that they can continue to enjoy the beauty of Taiwan and the friendliness from the local people. Come on, don't be shy; everyone is invited to make inquiries at the “Information Station”!

南投縣農會

1914年南投縣內第一家農會成立，一直致力於農業的推廣和發展。1977年於南投縣南投市南崗工業區成立「南投縣農會食品加工廠」，並於2016年成立「南投縣農業旅遊服務中心」，不僅提供農產品舒適的購物環境，更積極發展觀光休閒和農業旅遊，吸引許多遊客和消費者前來品味當地特色的農特產品。

南投縣農會食品加工廠主要生產茶葉、苦茶油和青梅等產品，為了確保食品加工的安全和衛生，農會建立嚴謹的標準化作業流程，推動產銷履歷標章及產地認證標章，也通過HACCP及ISO22000食品安全系統的驗證，提供安心和優質的農產品給消費者。

近幾年配合購物模式的升級，農會更推出包含「官網購物」、「空中市場便利購」的LINE社群等線上購物，服務更多喜歡南投縣農特產的消費者。

Nantou County Farmers' Association

Established in 1914, the Nantou County Farmers' Association has been a pioneer in promoting and developing agriculture within the county. In 1977, the association expanded its reach by establishing the Nantou County Farmers' Association Food Processing Plant in the Nangang Industrial Zone. Further enhancing its offerings, the Nantou County Agricultural Tourism Service Center was opened in 2016. This center not only provides a comfortable shopping environment for agricultural products but also actively promotes agritourism and leisure activities, attracting numerous tourists and consumers to experience the unique local specialties.

The Nantou County Farmers' Association Food Processing Plant primarily produces tea, bitter tea oil, and green plums. To ensure the safety and hygiene of its food processing, the Association has implemented rigorous standardized operating procedures, promoting traceability and origin certification labels. Additionally, it has earned HACCP and ISO22000 food safety certifications, offering consumers safe and high-quality agricultural products.

In recent years, to align with evolving shopping trends, the Association has launched online shopping services, including the official website's shopping platform and the convenient "Sky Market" community on the LINE app. These services cater to a broader audience of consumers who appreciate Nantou County's agricultural specialties.

The Nantou County Farmers' Association is one of the few in Taiwan that owns and operates its own tea plantations and tea processing factories. Located in the Wushe area of Ren'ai Township, at an altitude of over 1,300 meters, the Association's tea plantations cover nearly four hectares. In addition to producing and selling its tea, the Association collaborates with local tea farmers, playing a crucial role in marketing and promoting their products. As an "integrated" county-level farmers' association, the Nantou County Farmers' Association actively embraces tourism and leisure agriculture. Within its retail venues, the Association has established the 1914 Three Hearts Tea Plantation, showcasing premium teas from the eight representative tea regions of Nantou County. This initiative not only revitalizes the image of agricultural products but also plays a key role in co-hosting various cultural events, steadily advancing local agriculture towards a more refined and elevated experience. The association's transformation into a six-star industry offers a comprehensive tea experience, providing visitors with a one-stop destination for all things tea-related.
